Hi Marietta,

OGC reviewed these terms before they went out, we sent a clean version to the registrant. We kept Erin's comment in the decision memo because the Terms and Conditions were drafted in a separate document and we want to make sure the correct language ends up in the finalized memo.

Thanks Shanta. Did OGC review these before we sent them to the registrant? The reason I am asking is that there is still a comment from Erin: **Ex. 5 AC/DP**

Subject: Aldicarb Draft Terms and Conditions and EPA comments on Aldicarb Stewardship plan

Good Afternoon,

We have attached the draft Terms and Conditions of Registration and the Agency's comments on Aldicarb's Stewardship plan for orange and grapefruit in Florida to this message.

We are requesting AgLogic review the Draft Terms and Conditions and respond in writing, if they are acceptable. If there are any points of concern please let us know as soon as possible so we can come to consensus.

For the Aldicarb Stewardship plan, we have attached our comments on what we are suggesting it contain. We would like AgLogic to review our comments and consider implementing them but you are not required to resubmit them to the Agency.

Feel free to contact Debra, Marion, or myself if you have any questions, comments, or concerns.

Regards,

Shanta Adeeb, M.S.
